Expressing grave concern about the increased difficulties being faced by Palestinian women and girls living under Israeli occupation, including the continuation of home demolitions, evictions of Palestinians, the revocation of residency rights, arbitrary detention and imprisonment and escalating settler violence against Palestinian civilians and their property, as well as high rates of poverty, unemployment, food insecurity, inadequate water supply and unsafe drinking water, incidents of domestic violence and declining health, education and living standards, including the rising incidence of trauma and the decline in their psychological well-being, and expressing grave concern about the dire humanitarian crisis and the insecurity and instability on the ground in the Occupied Palestinian Territory, in particular in the Gaza Strip,

Deploring the dire economic and social conditions of Palestinian women and girls in the Occupied Palestinian Territory, including East Jerusalem, and the systematic violation of their human rights resulting from the severe impact of ongoing illegal Israeli practices, including the forced displacement of civilians and confiscation of land, particularly in connection with the construction and expansion of settlements and the wall, which continue to constitute a major obstacle to peace on the basis of the two-State solution, and the continued imposition of closures and restrictions on the movement of persons and goods, including the permit regime throughout the Occupied Palestinian Territory, including East Jerusalem, which have detrimentally affected their right to health care, including access of pregnant women to health services for antenatal care and safe delivery, education, employment, development and freedom of movement,

Gravely concerned, in particular, about the critical socioeconomic and humanitarian situation in the Gaza Strip, including that resulting from Israeli military operations, including those in November 2012, and the continuing imposition of a blockade consisting of the prolonged closure of border crossings and severe restrictions on the movement of persons and goods, as well as the continued impeding of the reconstruction process by Israel, the occupying Power, which has detrimentally affected every aspect of the lives of the civilian population, especially women and children, in the Gaza Strip,

Stressing the importance of providing assistance, especially emergency assistance, to alleviate the dire socioeconomic and humanitarian situation being faced by Palestinian women and their families, and recognizing the essential efforts and support being provided by the United Nations agencies and other humanitarian aid organizations on the ground,

Reiterating the importance of increasing the role of women in peacebuilding and decision-making with regard to conflict prevention and the peaceful resolution of conflicts as part of efforts to ensure the safety and well-being of all women in the region, and stressing the importance of their equal participation and involvement in all efforts for the achievement, maintenance and promotion of peace and security,

1. *Reaffirms* that the Israeli occupation remains the major obstacle for Palestinian women with regard to their advancement, self-reliance and integration into the development of their society, and stresses the importance of efforts to increase their role in decision-making with regard to conflict prevention and resolution and to ensure their equal participation and involvement in all efforts for the achievement, maintenance and promotion of peace and security;

2. *Calls upon* the international community, in this regard, to continue to provide urgently needed assistance, especially emergency assistance, and services in an effort to alleviate the dire humanitarian crisis being faced by Palestinian women and their families and to help in the reconstruction of relevant Palestinian

institutions, with the integration of a gender perspective into all of its international assistance programmes, commends the implementation of the August 2009 plan of the Palestinian Authority for constructing the institutions of an independent Palestinian State and the significant achievements made, as confirmed by international institutions, including the World Bank, the International Monetary Fund and the United Nations, and calls for continued support of these efforts;

3. *Demands* that Israel, the occupying Power, comply fully with the provisions and principles of the Universal Declaration of Human Rights,[8] the Regulations annexed to the Hague Convention IV of 18 October 1907, the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,[9] and all other relevant rules, principles and instruments of international law, including the International Covenants on Human Rights,[6] in order to protect the rights of Palestinian women and their families;

4. *Urges* the international community to continue to give special attention to the promotion and protection of the human rights of Palestinian women and girls and to intensify its measures to improve the difficult conditions being faced by Palestinian women and their families living under Israeli occupation;

5. *Calls upon* Israel to facilitate the return of all refugees and displaced Palestinian women and children to their homes and properties, in compliance with the relevant United Nations resolutions;

6. *Stresses* the urgent need for sustained and active international involvement, including by the Quartet, to assist the parties in advancing and accelerating peace process negotiations for the achievement of a just, lasting and comprehensive peace settlement that ends the occupation which began in 1967 and results in the independence of a democratic, contiguous and viable State of Palestine living side by side in peace and security with Israel and its neighbours, on the basis of United Nations resolutions, the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict[10] and the Arab Peace Initiative adopted by the Council of the League of Arab States at its fourteenth session;[11]

7. *Requests* the Commission on the Status of Women to continue to monitor and take action with regard to the implementation of the Nairobi Forward-looking Strategies for the Advancement of Women,[2] in particular paragraph 260 concerning Palestinian women and children, the Beijing Platform for Action,[3] and the outcomes of the twenty-third special session of the General Assembly, entitled "Women 2000: gender equality, development and peace for the twenty-first century";[4]

8. *Requests* the Secretary-General to continue to review the situation, to assist Palestinian women by all available means, including those set out in his report,[1] and to submit to the Commission on the Status of Women at its fifty-ninth session a report, including information provided by the Economic and Social Commission for Western Asia, on the progress made in the implementation of the present resolution.
